Field Definitions:

- Baxter West Field (closer to Road), North half
- Baxter West Field (closer to Road), South half
- Baxter East Field (further from Road), North half
- Baxter East Field (further from Road), South half

Assumptions:

- 1) Baxter Mini fields can be split into halves for U4 & U5 players. Each mini field will have 4 teams on it, two teams in the North half, two in the south half.
- 2) Coaches MUST bring two pylons (goalposts) for each game. (Coats will even suffice as post markers at this agegroup)
- 3) Both Teams # 7 & 8 are both from Angus

I'm not certain if this game will happen. Not sure when U4, U5 season Ends. Coaches must establish this.
