The SNE policy manual and the District Constitution can be found on our website are for your reference. Submissions for changes to these documents, must be received by the board in the time frame noted in the constitution itself.

Amendments to the District Constitution or Policies and Procedures received after the Sept 17, 2010 deadline will not be accepted for presentation at the AGM.

Participation of all Member Clubs is respectfully requested if we are to maintain a viable District Association, therefore please encourage personnel from your club to submit applications and resumes for the positions that are to be filled this year. It is not imperative that positions be filled by a club affiliated person. It is noted that some boards recommend non affiliation for a majority of their positions.

Please print a set of documents that you require for each delegate attending from your club including your own as a SNE Board Member. SNE will no longer provide hard copies at the AGM. Confidential documents (financial statements 2009) etc. are attached. Please review submitted RFD's online and print for your reference.
